CARATTERISTICHE TECNICHE

Esecuzione e tolleranze secondo ISO 5251

Acciaio: AISI 304L oppure AISI 316L

EN 1.4307 oppure EN 1.4404

3 righe fino al DN 150 misure gas

Estremità: lisce

Marcatura: con inchiostro indelebile o punzone riportante marchio del produttore, dimensioni, nr. di colata

CERTIFICATI: EN 10204/3.1B

TECHNICAL INFORMATION

Execution and tolerance according to ISO 5251

Steel: AISI 304L or AISI 316L

EN 1.4307 or EN 1.4404

3 lines until ND 150 (gas measures)

Smooth ends

Marking: indelible ink or punch reporting producer's name, dimensions, heat number

CERTIFICATES: EN 10204/3.1B
